### **Article 36 Implementation**

Mr. Connelly and Ms. Mayer reviewed the final version of the implementation plan for Article 36. Ms. Mayer explained the rationale for the changes, including balancing concerns raised with the intent of the article passed by Town Meeting. Exclusions not part of the by-law are based on limiting potential conflict between uses (sports & school routes/uses) and eliminating areas where, due to size, degradation of the property is a concern.

The Commission discussed the implementation process, which includes production of signs and brochures, posting signs, distributing brochures (on-line, at Town Offices, through ACO and others) and offering educational workshops at Robbins Farm Park to start.

Ms. Campbell motioned to accept the plan as presented with the option to periodic review by the Commission, seconded by Ms. Rothenberg and approved 3-0.

Ms. Rothenberg motioned to adjourn, seconded by Ms. Campbell and approved 3-0. Meeting adjourned at 6:40 PM.

Respectfully Submitted:

Joseph Connelly, Director of Recreation
